Dr. K. C. McIlwraith,

Toronto.

Dear Dr. McIlwraith:

I have made inquiries at the Bursar's Office and at the office of the Secretary of the Faculty of Medicine and find that the reason that Dr. Kinnear got no payment for his work last summer in the Summer Session is that no appointment was ever made nor can I find that there was any recommendation ever put in. Miss Jamieson assures me that the time-tables were arranged without his name being placed on them.

At the end of the term the money, consisting of the fees, was distributed among those who got the appointments. This was the basis on which the session was conducted, as the Governors make no vote for this purpose.

I regret very much that this so happened. Can you tell me whether there was any recommendation sent in which I have overlooked, because in none of our offices is there word of such being sent to us ? I shall be glad if you can let me have any information that will clear up the difficulty.

Yours sincerely,

President.
